Bob,

I wanted to forward this to you in case you have some time to review it prior to our meeting next week. You are the expert in this and you would know if this looks right to you.

Also, do you have anyone else that you could recommend that I can get another quote? I think it would be the prudent to get at least one other quote to have as a comparison.

Thanks for your help. I hope you are having fun in San Diego and NOT reading this email during your leisure birthday weekend.

See you on Monday or Tuesday.

Best regards,

Hi Lorena and Eric. Thanks very much for taking the time to meet with me Wednesday.

I walked around and explored the oceanfront further as well as 6th street and there is so much potential to bring this destination back to the masses so to speak!

If there are any questions you have, or if you know of anyone else in your area that could use our assistance, please let me know.

If you could define for me the EXACT wording that you would like on the Gateway Monument that would be very helpful. I agree that you don't need to necessarily add adjectives like "Historic" as the area should and will speak for itself, but maybe adding an incorporation city date for San Pedro on one option would be interesting?

Really looking forward to being involved and our proposal is attached.

Speak soon,
